

Corona Virus - Free resources for teachers and schools

Updated: 15 hours ago

I'm collecting resources for teachers and schools impacted by coronavirus closings. Many companies have offered discounted and free subscriptions to their services. In addition, I'm adding blog posts about remote learning and various recommended platforms by me. if you have any ideas, please share on Twitter with the handle [#headteacherchat](#).

Hope you find this helpful. This is a work in progress. Please email me for additions or changes: lucycoyconsultancy@gmail.com
